**Your trusted Cybersecurity Partner  
Protecting your business and your customer**

# Why Choose Kompingo

At **Kompingo**, we understand that cybersecurity is more than just firewalls and compliance—it's about **ensuring your business runs smoothly, securely, and profitably** while keeping your customers' data safe.

- ✓ **Expert-Led Protection.**  
Industry-certified security professionals with real-world experience.
- ✓ **Comprehensive Solutions.**  
From compliance to active threat response.
- ✓ **Customer-Centric Approach.**  
Tailored services that work for **you** and **your customers**.
- ✓ **Cost-Effective & Scalable.**  
Enterprise-grade security at a **fraction of the cost**.
- ✓ **Flexible pricing to fit your needs.**

**Your trusted Cybersecurity Partner**  
**Protecting your business and your customer**

# SUPPORTED VENDORS

# Our Services

## Managed Security Services – 24/7 Protection Without the Overhead

- ✓ Managed Detection & Response (MDR)
- ✓ Managed SIEM (Security Information & Event Management)
- ✓ Managed Firewall Services

## Cybersecurity Consulting & Compliance – Stay Ahead of Regulations

- ✓ Cyber Essentials & Cyber Essentials Plus Certification
- ✓ Virtual CISO (vCISO) – Your On-Demand Cybersecurity Expert
- ✓ Penetration Testing – Find Vulnerabilities Before Hackers Do
- ✓ Security Posture Reviews

## Professional Services & Support – Expert Assistance When You Need It

- ✓ Installation & Configuration Services
- ✓ Technical Support – Fast, Reliable Assistance Project Management
- ✓ Seamless Cybersecurity Implementation

## Helping Businesses Like Yours

### Financial Firm Avoids a £250,000 Ransomware Loss

A mid-sized financial services company implemented **Managed Detection & Response (MDR)** with Kompingo. Within **three months**, our system **identified & neutralized** a potential ransomware attack, saving them **hundreds of thousands** in potential damages.

### SME Gains Cyber Essentials Certification in 14 Days

A growing e-commerce company needed **Cyber Essentials Plus certification** to secure a major contract. **With our guidance**, they became compliant in **just two weeks**, winning a **£500,000 deal** as a result.

- **Book a Free Consultation**  
Let's discuss your security needs.
- **Get a Cyber Risk Assessment**  
Identify your vulnerabilities.
- **Upgrade to a Fully Managed Service**  
Hands-off protection for your business.
